Mid Calder Camera Club Competition Rules

1. Two categories BEGINNERS
INTERMEDIATE/ADVANCED

Definition of Beginner A beginner is someone who has just taken up photography, and who has limited experience and skill.

Any person who joins the club may elect to participate in competitions in any category. Any member who has been a member of another club and has participated in a particular category in the other club will be expected to join a similar, or more advanced, category at Mid Calder Camera Club. Any member who wins any of the categories will move up to the next category for subsequent seasons. Members may only compete in both Print and PI sections at the same level.

2. Up to THREE entries per category (Prints and Projected Image) per competition per member. Only the top nine scores from a possible 12 will count toward the overall year ending score.

3. Prints must be mounted and shall not be greater than 20 x 16 inches including mount. All prints must have the following information on the back of the print.

- A Title
